Manifold Manifesto

Manifold is a new way of thinking about data. It's a new way of thinking about the world. It's a new way of thinking about the future.

Manifold is a new way of thinking about data. It's a new way of thinking about the world. It's a new way of thinking about the future.

Manifold is a new way of thinking about data. It's a new way of thinking about the world. It's a new way of thinking about the future.

Manifold is a new way of thinking about data. It's a new way of thinking about the world. It's a new way of thinking about the future.

Manifold is a new way of thinking about data. It's a new way of thinking about the world. It's a new way of thinking about the future.

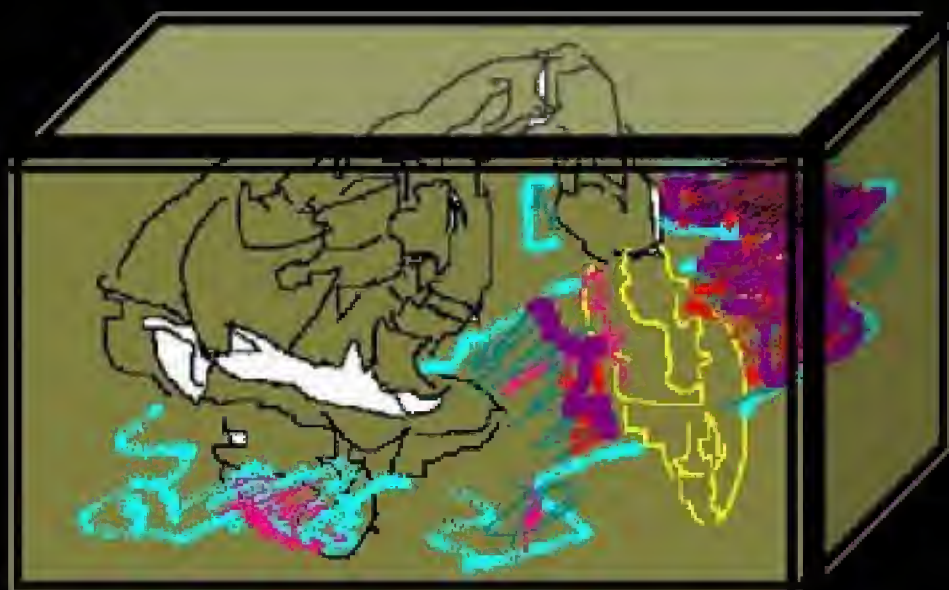

Manifold is a new way of thinking about data. It's a new way of thinking about the world. It's a new way of thinking about the future.

Manifold is a new way of thinking about data. It's a new way of thinking about the world. It's a new way of thinking about the future.

Manifold is a new way of thinking about data. It's a new way of thinking about the world. It's a new way of thinking about the future.
